

TRIP THE LIGHTS FANTASTIC

FUN TRICKS & FANCY MOVES

.....with Debbi Decker

When: February 25 & 26, 2012

9:00 – 4:00 Both Days

Where: Cernak's Canine Center

The Academy Of Canine Performing Arts

5241 Ashue Rd.

Wapato, WA 98951

This workshop is great for getting increased focus, attention, confidence building, communication, teamwork, and distance work. It is all about the fun and taught with positive training!

Saturday: Learn how to teach a variety of tricks and fun games as well as getting creative with your dog training. You will become more fun and interesting to your canine partner!

Sunday: Canine Freestyle and those “fancy moves!” This is not just about canine freestyle! This also shows how to get nice tight circles, pivots, backing up, and distance work for all those other sports!

ALL WORKING Participants please bring crate, variety of treats, and toys. Dogs need to be current on vaccinations and have had their basic training. Continental breakfast both days, lunch on your own. There is a refrigerator and micro-wave for your convenience to use.
